

Steel'n Beats Steelband

Steel'n Beats Steelband

About us

Formed in 2018, Steel'n Beats steelband offers a unique fusion of modern pop music, funk, jazz and rock with Caribbean rhythms and creating a vibrant and energetic sound that evokes laidback summers.

Originating from Trinidad and Tobago, the steelpan instrument produces a distinct melodic tone with a tropical flavour. The musicians of Steel'n Beats showcase the versatility of the steelpans, creating a harmonious and captivating musical experience.
